Abstract

The conference proceedings will be published through the electronic submissions of the authors by means of E-mails. Thus manuscripts are to be made as PDF files and then sent to the program committee as attached files with E-mail to icdes2010@jsde.or.jp with the subject "ICDES2010".

1. Introduction

In order to ensure that high quality proceedings will be published, authors are advised to prepare manuscripts following the guidelines detailed in this guide. The layout of this guide can be served as a sample. Should there be any doubt, please contact us via E-mail: icdes2010@jsde.or.jp.

2.1 Paper size and pages Authors should prepare their manuscripts in double column format for printing on A4 (210mm x 297mm) paper and must ensure that the completed manuscript do not exceed **six(6)** pages.

2.2 Margins Authors must ensure that the typing area (centered) matches the guidelines given below:

- On the second and subsequent pages, the distance from the top edge of the paper to the top line of type should be 25mm.
- The bottom margin should be 25mm. No page number should appear in the manuscript.
- The left and right margins must be the same.
- The width of each column should be 80mm and the separation between the two columns should be 10mm.

6. For Electronic Submission via E-mail

Note in particular that for PDF files, *only type 1 font* should be used, to minimize the risk of printing errors. And please note that the manuscript file does not exceed 600Kbytes in order to avoid the E-mail trouble due to the capacity of out mail server. Authors must strictly keep the following deadlines.
